

## Agile / Ecologic: Diagnosis 2021

|                  |        | DIAGNOSIS WITH TOOL              | SELF DIAGNOSIS        |
|------------------|--------|----------------------------------|-----------------------|
| Model            | Season | Battery                          | Error info on display |
| Cute             | 2019   | Phylion UART, need cable adapter | yes                   |
| Cute             | 2020   | Phylion CAN, need cable adapter  | yes                   |
| Clever           | 2021   | Phylion CAN, need cable adapter  | yes                   |
| Cult             | 2019   | Phylion UART, need cable adapter | yes                   |
| Cult             | 2020   | Phylion CAN, need cable adapter  | yes                   |
| Cult             | 2021   | Phylion CAN, need cable adapter  | yes                   |
| Califfo          | 2021   | Phylion CAN, need cable adapter  | yes                   |
| Club             | 2020   |                                  | yes                   |
| Club             | 2021   |                                  | yes                   |
| Crab             | 2021   | Phylion CAN, need cable adapter  | yes                   |
| E-Spike          | 2019   | Phylion UART, need cable adapter | yes                   |
| E-Spike          | 2020   | RocketS CAN, need cable adapter  | yes                   |
| E-Spike 8.1      | 2021   | RocketS CAN, need cable adapter  | yes                   |
| E-Spike 7.1      | 2021   |                                  | yes                   |
| E-Space          | 2019   |                                  | yes                   |
| E-Space          | 2020   | RocketS CAN, need cable adapter  | yes                   |
| E-Space 8.1      | 2021   | RocketS CAN, need cable adapter  | yes                   |
| E-Space 7.1      | 2021   |                                  | yes                   |
| E-Run            | 2019   |                                  |                       |
| E-Run 500        | 2020   | Phylion UART                     | yes                   |
| E-Run 360        | 2020   |                                  | yes                   |
| E-Run 8.1        | 2021   | Phylion UART                     | yes                   |
| E-Run 7.1        | 2021   | Phylion UART                     | yes                   |
| E-Run 6.1        | 2021   |                                  | yes                   |
| E-Way            | 2019   |                                  |                       |
| E-Way            | 2020   |                                  | yes                   |
| E-Way            | 2021   |                                  | yes                   |
| ExtraFolding     | 2020   |                                  | yes                   |
| ExtraFolding     | 2021   |                                  | yes                   |
| ExtraFolding 7.1 | 2021   |                                  | yes                   |
| E-Moticon        | 2021   |                                  | yes                   |
| E-Folding        | 2019   |                                  |                       |
| E-Folding        | 2020   |                                  | yes                   |
| E-Folding        | 2021   |                                  | yes                   |

## Tools and cable adaptors

### BUS

| DIAGNOSIS TOOL |                                    | UART | CAN |                                    |
|----------------|------------------------------------|------|-----|------------------------------------|
| 1804067000     | PHYLION BATTERY DIAGNOSIS BOX UART | x    |     | for Phylion smart BMS UART         |
| 1804067050     | PHYLION BATTERY PSP TOOL CAN/UART  | x    | x   | for Phylion smart BMS CAN and UART |
| 1804068000     | DIAGNOSIS TOOL CAN ROCKETS         |      | x   | for RocketS smart BMS CAN          |

### CABLE ADAPTER

|            |                                     |                                |
|------------|-------------------------------------|--------------------------------|
| 1804067001 | PHYLION CABLE ADAPT. BDB CULT/SPIKE | cable adapter for Phylion DT12 |
| 1707160013 | ROCKETS SUB B CONNECT ANAND         | cable adapter for RocketS      |
